

POWERFUL INSIGHTS IN THE PALM OF YOUR HAND

MAXimize Operations / MAXimize Efficiencies / MAXimize Security
Integrated cloud based solution for multi-site security management

MAXPRO® Cloud

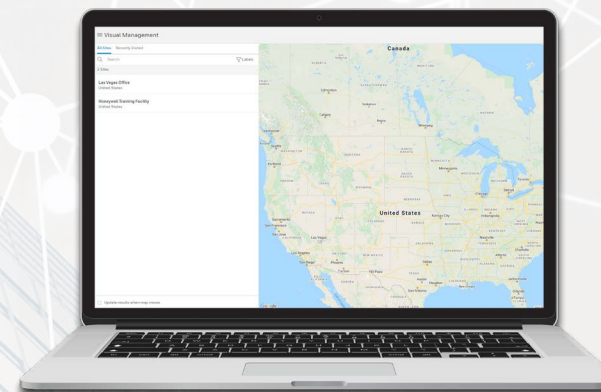

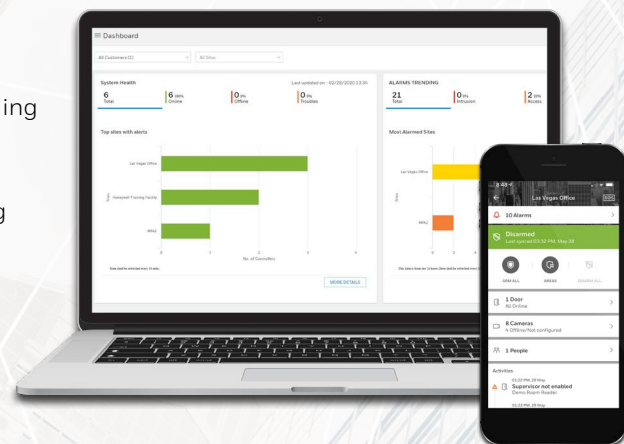

Honeywell

INTRODUCING MAXPRO® CLOUD

Where Smart Security Meets Business Insight

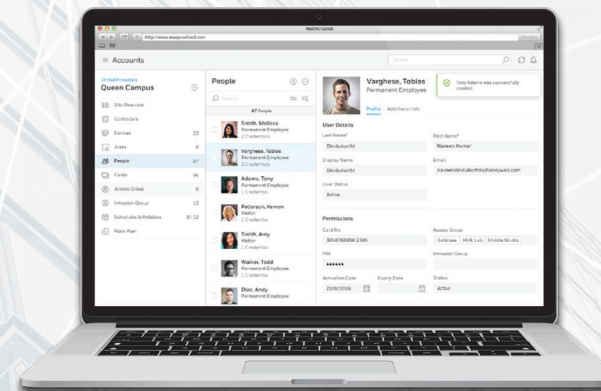

- MAXPRO® Cloud is a Honeywell cloud based integrated connected building platform designed for small-to-medium business customers. It delivers real-time access control, video surveillance, and intrusion detection to any mobile device connecting customers to their buildings and enabling a user to make informed business decisions. Anytime. Anywhere.
- It's more than just a security system, MAXPRO® Cloud is a dynamic business tool that provides actionable insights you can use to improve operational efficiency and drive down costs by providing a fully integrated security solution.

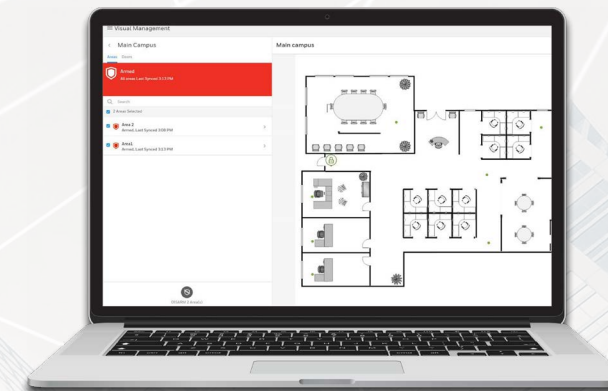

1 Configure, manage and monitor multi-site locations

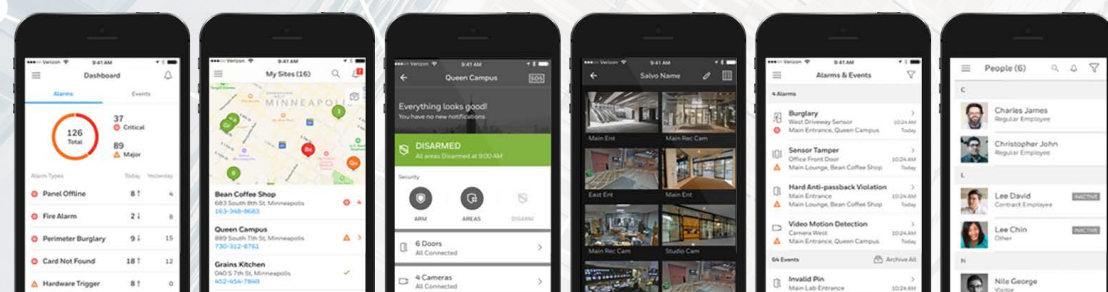

2 Improved multi-site visibility, awareness and security in one integrated solution

3 Manage users, credentials and permission groups across multi-site installs

4 Remote multi-site facility management and operation (Lock, unlock / arm disarm)

SIMPLE MANAGEMENT OF MULTIPLE-SITES

-  Property Management / Multi-Tenancy
-  Small Commercial
-  Retail
-  Franchises

Manage all of these across multiple sites and locations

- Tiered system management and control including central, customer and zone management options for Video, Intrusion and Access
- Access control for common doors with zoned / sector access for specific customers or groups
- Intrusion security for whole site, with zones / sectors and individual customer or group management
- Visual verification of events and video monitoring of common areas
- Allocate systems / access as and when needed.
- Simple user friendly management
